PUBLISHED BY THE
SENIOR CLASS
of the
WALBRIDGE HIGH SCHOOL
WALBRIDGE, OHIO.

DEDICATION

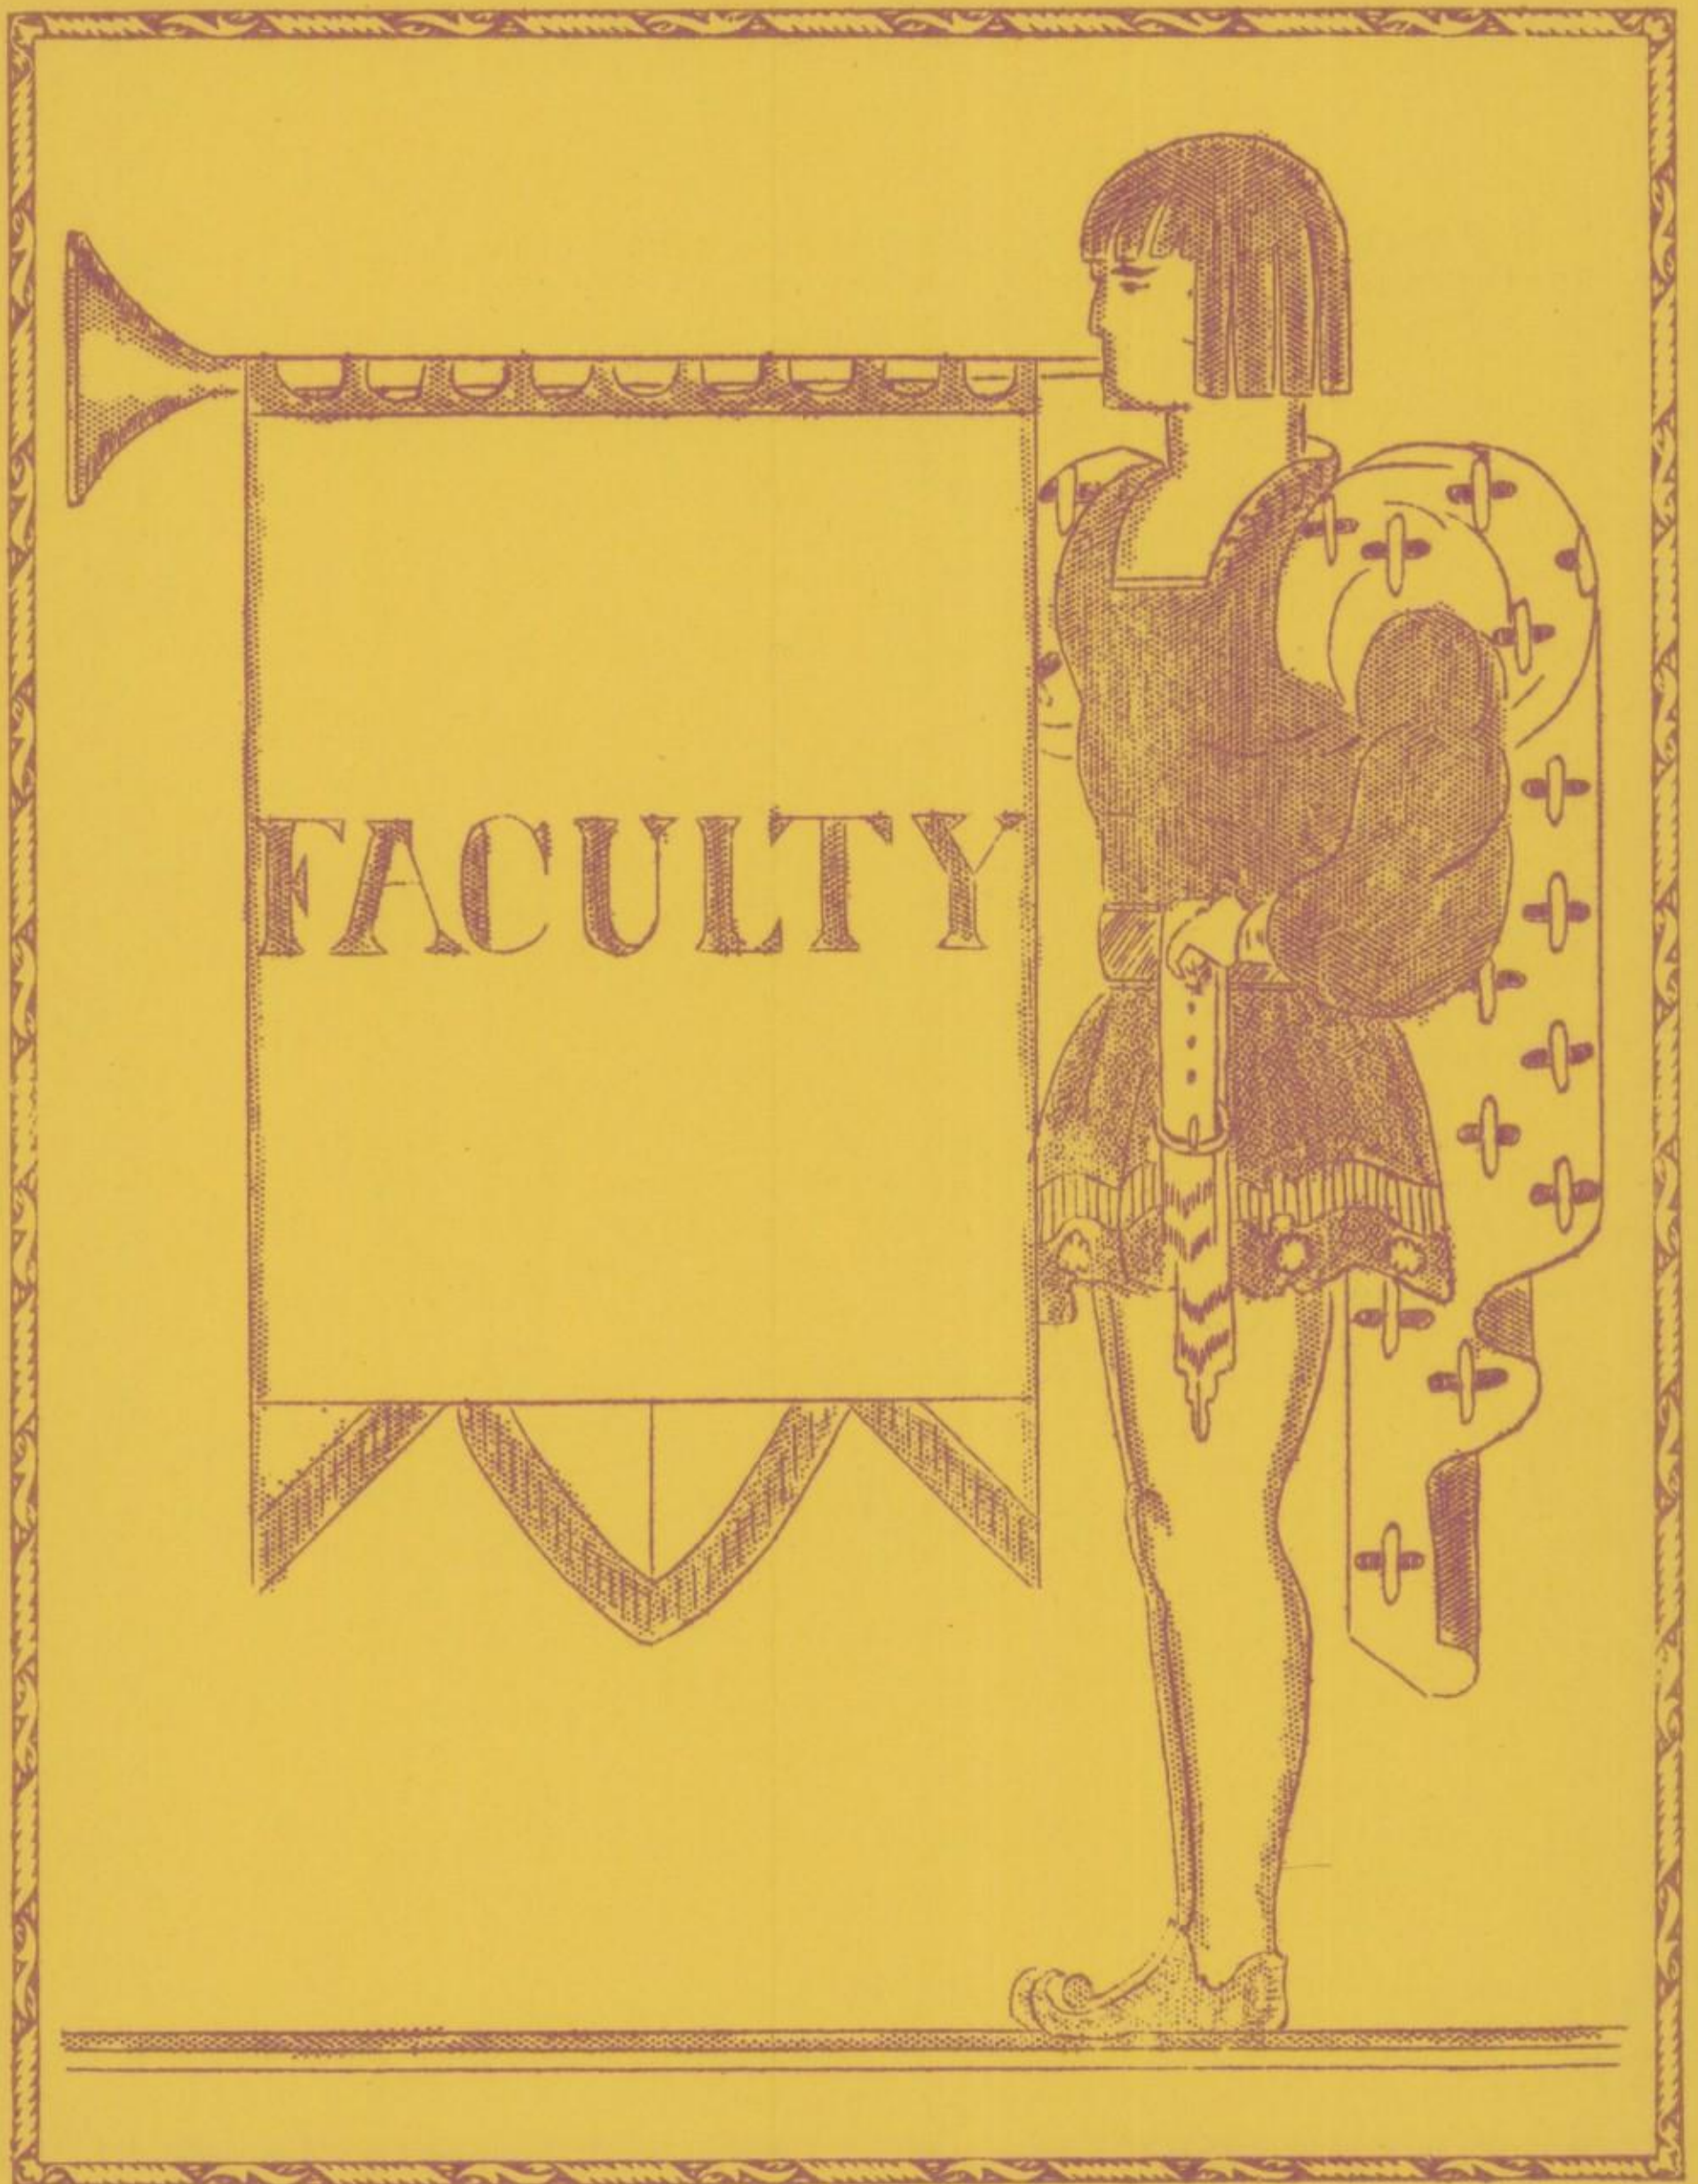

The Class of 1936 gratefully dedicates this, our first mimeographed annual, to Superintendent C. L. Dimler, our class advisor, for his untiring efforts in guiding us through the Senior year and his unlimited efforts in making our annual a success.

FOREWORD

We, the Senior Class of 1936, publish this, our first mimeographed annual in remembrance of the four happy years spent in Walbridge High School. The following pages have been prepared by us to take along in our chest of cherished souvenirs lest we forget, as the years come and go, the many activities enjoyed within old Walbridge High, and the many faces of friends from whom we now must part.

SENIOR CLASS POEM

Main thoughts of the Class of '36 sitting here
Go back to the beginning of the year.
An old adage recalled "Here today, gone tomorrow,"
Brings back to our hearts a little sorrow.

Through eight years of grammar, four of high
We've aimed our ambitions to the sky.
We've enjoyed it too, through thick and thin
With our capable teachers, we begin to win.

The Faculty has labored the school year away
To educate us, through all the days.
May we give to them the credit they deserve
By cherishing fond memories in our reserve.

A decade from tonight our thoughts may return here
We'll think of our joy, friendships and cheer.
We'll remember that Faculty who were so splendid
And who, to the class, their education lended.

A diploma is a symbol of success in high school
In most professions, that is the first rule.
"Ending but beginning" is our motto this year
We must succeed in life, or there's no place here.

Some of the Class will perhaps seek fame
All during life they will play the game.
Hoping to win and to come out on the top
Until our goal is reached, we dare not stop.

Sarah Jane Wolfe.

VALEDICTORY

Ladies and Gentlemen:

We find in the study of God's Word that He commanded man to grow in knowledge and understanding, and that man was placed here for some definite work. He privileged man with will power to do or not to do, as it pleased his fancy. We may use this will power to wise and intelligent resolutions. The conduct of our life hinges on the will, but the will depends upon the man. Ultimately it is never more than his own election.

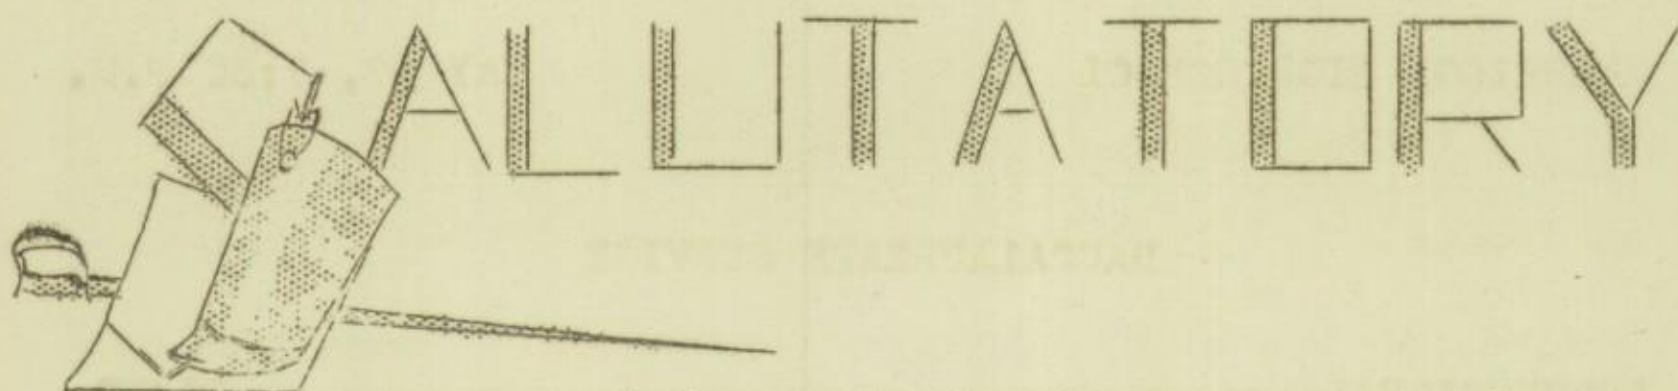

We as a class have willed to make our school life a success. We have worked and studied many hours to accomplish our purpose, and tonight we stand at the parting of the ways. We are pushing on to greater fields of activity, each one choosing the work for which he is best fitted. Although we are eager to try out our new fields of labor, yet we are hesitant in leaving you, our teachers, who have aided and abetted us through all the trying times of school life, who understood all our whims and idiosyncrasies and were always ready with a word or nod of encouragement when most needed. It is gratifying to know that your interest in us will not cease this evening, but your best wishes will go with us in our fields of endeavor, and should success crown our efforts, we know you will rejoice with us. It is with profound reverence and gratitude that we bid farewell to you, our friends and our teachers.

Classmates: During the years we have worked and studied together, we have shared both pleasures and disappointments, but no matter where we may be or what we may do, the memory of our school days will never fade away.

This is not all. Before we part, let us earnestly resolve never to forget the instruction we have received and the sound moral principles that have been instilled into our hearts. Let us always be anxious to strive for the summit, and thus honor the school that nurtured us. If we will do this, then our teachers, our parents, and our friends will feel that their incessant labors have not been in vain.

To you all, our friends, parents, teachers, the Class of 1936 bids a last farewell with our best wishes for your happiness and prosperity. We regret that our high school days are gone forever, but this regret is mellowed by the anticipation of a new freedom and opportunity awaiting us somewhere out in the uncertain future.

Ruth Munn.

ALLEGATORY

I extend to you, Ladies and Gentlemen, a most hearty welcome to these exercises. I am not merely indulging in words if I assure you that we are delighted to have you present on this occasion. We are greatly elated and glad to have you, our teachers and friends, share in our happiness.

The occasion that has brought us here together, serves more than merely one purpose. It marks the completion of a given task, of a prescribed course of study. During the years spent in this institution, we have applied ourselves to our books and have endeavored to solve the various problems that were assigned to us. But notwithstanding all our well-meant efforts; we could never have reached the goal had it not been for the faithful assistance of our teachers and parents. Often, when discouraged in our work, we have heard their encouraging words and cheering voices.

It is for these reasons that we may call graduation not only a day of coronation but also one of thanksgiving. For that we owe you much, there can be no doubt. It is for us then to acquit ourselves in such a way as to make you feel repaid for your manifold assistance. To welcome you to these exercises, to assure you our appreciation of your presence is perhaps all we can do today. But we would not be true to ourselves were we not earnestly to resolve to go out from these halls to make the most of life and to be real men and women in the great arena.

To us this occasion means much. It marks an epoch in our lives. It ushers in a new period, and we are today standing midway between the past and the future. To most of you it is merely an occasion for entertainment or a reminder of your own boyhood and girlhood days. But whatever the attitude, let us make the most of it while it lasts.

My duty is to welcome you to these exercises, and to express in words our appreciation of your presence. But long before I had the pleasure to appear before you, you must have seen in our eager eyes and joyous smiles that we are happy to have you in our midst.

Rose Long.

CLASS

The beginning of our Senior Class was in the year 1924. Of the pupils beginning in that year, only four are among the Seniors of 1936; namely, Sarah Jane Wolfe, Fern Baker, Ruth Munn, and June Sigler. During the first and second grades we were fortunate to have Miss Manor as our teacher. Through her influence we were changed from carefree children into studious pupils. It didn't seem long until spring and we were taking our final exams.

In a few short months the summer vacation was over, and we were again put back into the harness. When Miss Manor called the roll the first day there was a new pupil; none other than Rose Long from Logan, Ohio. This pupil was welcomed and the school term was made very interesting by projects introduced by Miss Manor from time to time.

In the third and fourth grades Miss Faneuff was our teacher, who also proved to be a very excellent instructor. Helen Harris, of Fostoria, Ohio joined our ranks at the beginning of the 4th term.

During the 5th and 6th grades, we were again fortunate in having a well-trained teacher, Miss Fenstermaker. During these two years there were no additions to our class.

Bells! Bells! Everyone was glad to hear them this season. Why? Because we were entering Junior High and this seemed quite an event. While in the seventh grade we had several teachers; namely, Mr. Dimler, Miss Hoodlebrink, Miss Trimble, and Miss Kerr. When we entered in the eighth grade we were introduced to a new pupil; Robert McCamey from Logan, Ohio. This year proved to be a great year as we were all looking forward to graduation. Miss Hoodlebrink was our class advisor and with her guidance we sailed through graduation with flying colors. Out of 16 who graduated from the eighth grade only 7 are now graduating from High School.

My! My! You'd never know our class that graduated from the eighth grade. We were all sitting in the study hall of the high school wondering where to go and what to do. Not only were we a bit timid but there were several new

HISTORY

faces among the Freshmen. They were William Pendleton from Pikeville, Kentucky; Ralph Cochran, from The Plains, Ohio; and Robert East, from Toledo, Ohio. As soon as we became accustomed to the schedule we had no trouble at all. It wasn't long until we organized our class, Miss Burk being our advisor.

During our sophomore year we had no newcomers. This year proved even better than the freshman year because we were entering into the school activities.

How time does fly; Here we are back at school and are Juniors. What a year. We had to raise a large sum of money for the Junior-Senior Banquet. We presented our play "Strawberry Kate," which was a great success. It was really funny the way each Junior would try his best to sell candy at basketball games. We also sold magazines--anything to raise money. At last we secured enough money and held the banquet at the Toledo Woman's Club.

Now for the climax! "Our Senior Year." We all came back with great enthusiasm to think that we were Seniors. The first thing we did was to elect officers and choose our class advisor, Mr. Dimler. Mr. Dimler has proved to be a great help to our class and I'm sure we all appreciate it. Under his guidance, we decided to publish a high school annual which we are sure everyone will enjoy. Mr. Dimler has worked hard with us to make it a success.

The members of the class of '36 wish to thank all of the teachers for the help that they have given us. We realize that without them we would never have reached our destination.

June Sigler.

CLASS

"We Build Our Own Futures."

I am pleased with this opportunity to present to you the prophecy for the members of the Walbridge High School Senior Class of 1936.

In contemplating upon what members of this class will be doing in the work of their individual lives, I have not posed myself as a crystal gazer nor one who has any particular knack in the business of prophesying future events. I have gone to the members of this class and asked them personally what their ambitions happen to be. Knowing my fellowclassmen as only one of the class can know them I have measured their individual possibilities in my own mind and made my own decision as to whether or not I think their ambitions will be realized in life. I believe our ambitions and our work will determine our future.

I went to one of my classmen, Fern Baker, and said. "Fern, what would you like to be in life?" Fern said that she would like to be a business woman. I know Fern will, and I know her to be a capable person and a good worker, and I therefore prophesy that she will, at the peak of her career be one of the leading business women of the country and be at the head of a large business concern.

On behalf of the class I wish Fern well in the pursuit of happiness and her chosen work.

The next person I interviewed was Sarah Jane Wolfe. When I asked her what she would like most to do in life she replied that she would like to be a social welfare worker. As we all know, Sarah Jane is very well suited to this type of work, because she always likes to help other people, and I therefore prophesy that Sarah Jane, will, in years to come, be the most noted social welfareworker in the country and be at the head of the Social Welfare Department of New York City, and also be the author of several Sociology books.

To you, Sarah Jane, the class extends its sincere wishes for a successful career.

Next on my list of persons to be interviewed was Robert McCamey. I cornered him in the study hall one day and asked him what his ambition was, if any. Bob thought for a few minutes and then said that he would like to be a business man. In the four years I have gone to school with Bob I know him to be a hard, earnest, and efficient

PROPHECY

worker, with an eye for the future, and I therefore prophesy that Bob will, at the top of his ladder, be one of the biggest business men in the United States and be managing a powerful organization of merchants. More power to you, Bob!

When I asked Helen Harris what she would like to be in life she had her answer all ready. She said that she would like to be a beauty operator. I wasn't surprised at this reply because I always knew that Helen had an eye for beauty and liked to make things more beautiful than they were. I therefore prophesy that after Helen finishes beauty school she will lose no time in making herself famous as a beauty expert, and after making herself famous, she will be chosen chief beauty expert of all the motion picture corporations in Hollywood. The class wishes you the greatest of luck, Helen.

I next asked June Sigler what the greatest desire of her life was and you can imagine my surprise when she replied that she didn't want a career in the business world but wanted to be just a housewife. She said the other members of the class could manage the business world but she would manage the home. Now that I think about it June did take cooking and sewing in her first two years of high school and she was pretty good at it, too. I therefore prophesy that within the next few years June will become someone's very efficient and economical Housewife and will set an example for all other girls who wish to follow in her footsteps, On behalf of the class I wish June much happiness.

I didn't think there was any need to interview Ralph Cochran for I believe I could guess what he wanted to be. I asked him anyways and, as I expected, he said he would like to be an athletic director. Everyone as well as myself knows what an excellent record Ralph has as an athlete and I therefore prophesy that Ralph will, in his four college years, become famous as an athletic director of Ohio University and will be turning out the best teams in the country. The whole class will be rooting for you, Ralph.

It was rather difficult to get an interview with Ruth Munn because she is usually busy studying. However, when I did ask her what she wanted to do in life she replied that she would like to be an educator. I think Ruth is very well suited to this kind of work as she has been an

CLASS PROPHECY CONT.

outstanding student during her four years of high school and has a record which anyone would be proud of. Therefore I prophesy that Ruth will at the height of her career be one of the leading educators of the country and be dean of women, University of Michigan. Good luck to you, Ruth.

I was just remarking that there weren't two persons in the class who wanted to do the same thing in life, but I spoke too soon; for, when I asked Rose Long what her ambition in life was, she said that she would like to be a business woman. Rose has proven her ability time and again as a very capable person in any kind of work and she also has a high rating in her studies. I therefore prophesy that Rose will advance rapidly in the business world and that before many years she will become secretary to the President of the United States. We wish you great success, Rose.

The last member of the class to be interviewed was Robert East. I interrupted him one afternoon while he was making headings for the annual, and popped the question. He said he hadn't yet decided what he would like to do but I think he was just a little modest and didn't want to tell me. I finally made him yield and as expected he said he would like to be a crooner in some popular orchestra. No doubt you have all heard Bob sing some time or other in different programs in the school and you all know what a wonderful voice he has. I therefore prophesy that Bob will, after a little training, be thrilling many feminine hearts the country over with his soft crooning voice and will be the star of Jan Garber's orchestra heard over the CBS every night at eight. We'll be listening, Bob.

Bill Pendleton.

PHYSIOLOGICAL TESTS

Following is a comparison of State Senior tests given the last three years. The median of the class of '36 was 50, the median of the class of '35 was 48, and the median of the class of '34 was 58. Although the median of this year's class was not as high as the class of '34, the highest grade was made by a student of this year's class, Ruth Munn, whose score was 90.

THE IDEAL HIGH SCHOOL GIRL

Nose-----	Elizabeth Johnson
Eyes-----	Naomi Sigler
Eyebrows-----	Audrey Tiplady
Smile-----	Louise Kayser
Teeth-----	Barbara Sigler
Hair-----	Claris Loop
Dimples-----	Sarah Jane Wolfe
Complexion-----	Marion Munn
Mouth-----	June Sigler
Voice-----	Marjorie Wolfe
Hands-----	Rose Long
Personality-----	Kathleen Sutton
Disposition-----	Susie Pasquelone
Intelligence-----	Ruth Munn
Athletic Ability-----	Helen Harris

THE IDEAL HIGH SCHOOL BOY

Height-----	Ace Cochran
Hair-----	Robert McCamey
Eyes-----	Bill Carnicom
Strength-----	Carl Christiansen

Likeable-ness-----	Bernard East
Athletic Ability-----	Jack Gordon
Honesty-----	Robert Emch
Executive Ability-----	Bill Pendleton
Physique-----	Nick DeFalco
Dignity-----	Ellsworth Sherman
Sense of humor-----	Clarence Mason

CLASS WILL

We, the members of the Class of 1936, having reached the end of our scholastic career, and though somewhat fatigued by incessant mental toil, but still of sound mind, memory and understanding, do make and publish this our Last Will and Testament, hereby revoking and making void all former wills by us at any time heretofore made.

We give and bequeath to the next senior class a collection of magic puzzles the solution of which will prove to them an enjoyable pastime when the preparation of their lessons becomes monotonous and other diversions lose their attraction.

In order to show our good will towards the sophomores, we bequeath to them a copy of an old "Farmer's Almanac," which will help them to steer clear of many an approaching storm.

We give and bequeath to the freshman class a large pail of unused brain-glue to be used by them carefully and persistently while preparing their lessons.

Individually:

Rose Long leaves her weak voice to Audrey Tiplady.

William Pendleton bequeathes his love for mathematics to Bernard East.

Ruth Munn wills her ability to get good grades to her sister, Marion.

Robert East leaves his ways with the girls to Ned Wiley.

Robert McCamey wills his ability to operate the mimeograph machine to anyone who has the ambition to run it.

Fern Baker gives her giggle to Jeanne McKinney.

Sarah Jane Wolfe bequeaths her dimples to any girl who would like to have them.

Ralph Cochran leaves his athletic ability to Jack Gordon.

June Sigler wills her happy-go-lucky attitude to Glenna Mae Koch.

In Testimony whereof, We, the Class of 1936, have to this our Last Will and Testament, subscribed our names and affixed our seals, this 21th day of May, 1936.

The boys of grades 4, 5 and 6 organized a basketball team and enjoyed several Saturdays of play in the Gym and took part in several preliminary games under the supervision of Sup't. C. L. Dimler.

MISS FENSTERMAKER'S ROOM

GRADES 4 & 5

FIRST ROW: Ferne Stivison, Danny Johnson, Jean Fralick, Ada Albright, Erma Petroff, Alan Munn, Jean Cochran, Robert Smothers, Esther M. Sigler, Robert Faucett, Margaret Gillespie.

SECOND ROW: Dallas Fitzgerald, Donald Lusher, Don Gilbert, Verl Geiner, George Gast, Harmon Minuto, Franklin Mason, Patsy Tudico, Billy Taylor, Frederick Hansen, Selwyn Carson.

THIRD ROW: Billy Stein, Iris Cavanaugh, Junior Dalton, Pauline Lombardo, Charles Hill, Doris Clark, Juanita Dalton, Eldon Harris, Josephine Sanders, Clyde Alexander, Dorothy Savey.

MISS BHAER'S ROOM

GRADES 2 & 3

FIRST ROW: Ruth Johnson, John Robert Gaul, Barbara Sherer, Jimmy McKinney, Donna Stein, Louis DeFalco, Carrie Richards, Fred Kusian, Emily Duckett, Bill Ervin.

SECOND ROW: Betty Cooper, Raymond Gruetter, Mabel Specht, James Petroff, Raymond Pierce, May Belle Christiansen, Charles Shaw, Marion Holmes, Gerald Newell, Lola Hoff.

THIRD ROW: Anne Johnson, Gene Clark, La Donna Holmes, Ralph Lindell, Tony Lombardo, Virginia Gruetter, Duane Miley, Donald Adkins, Tony Mass, Junior Richards.

MISS MANOR'S ROOM

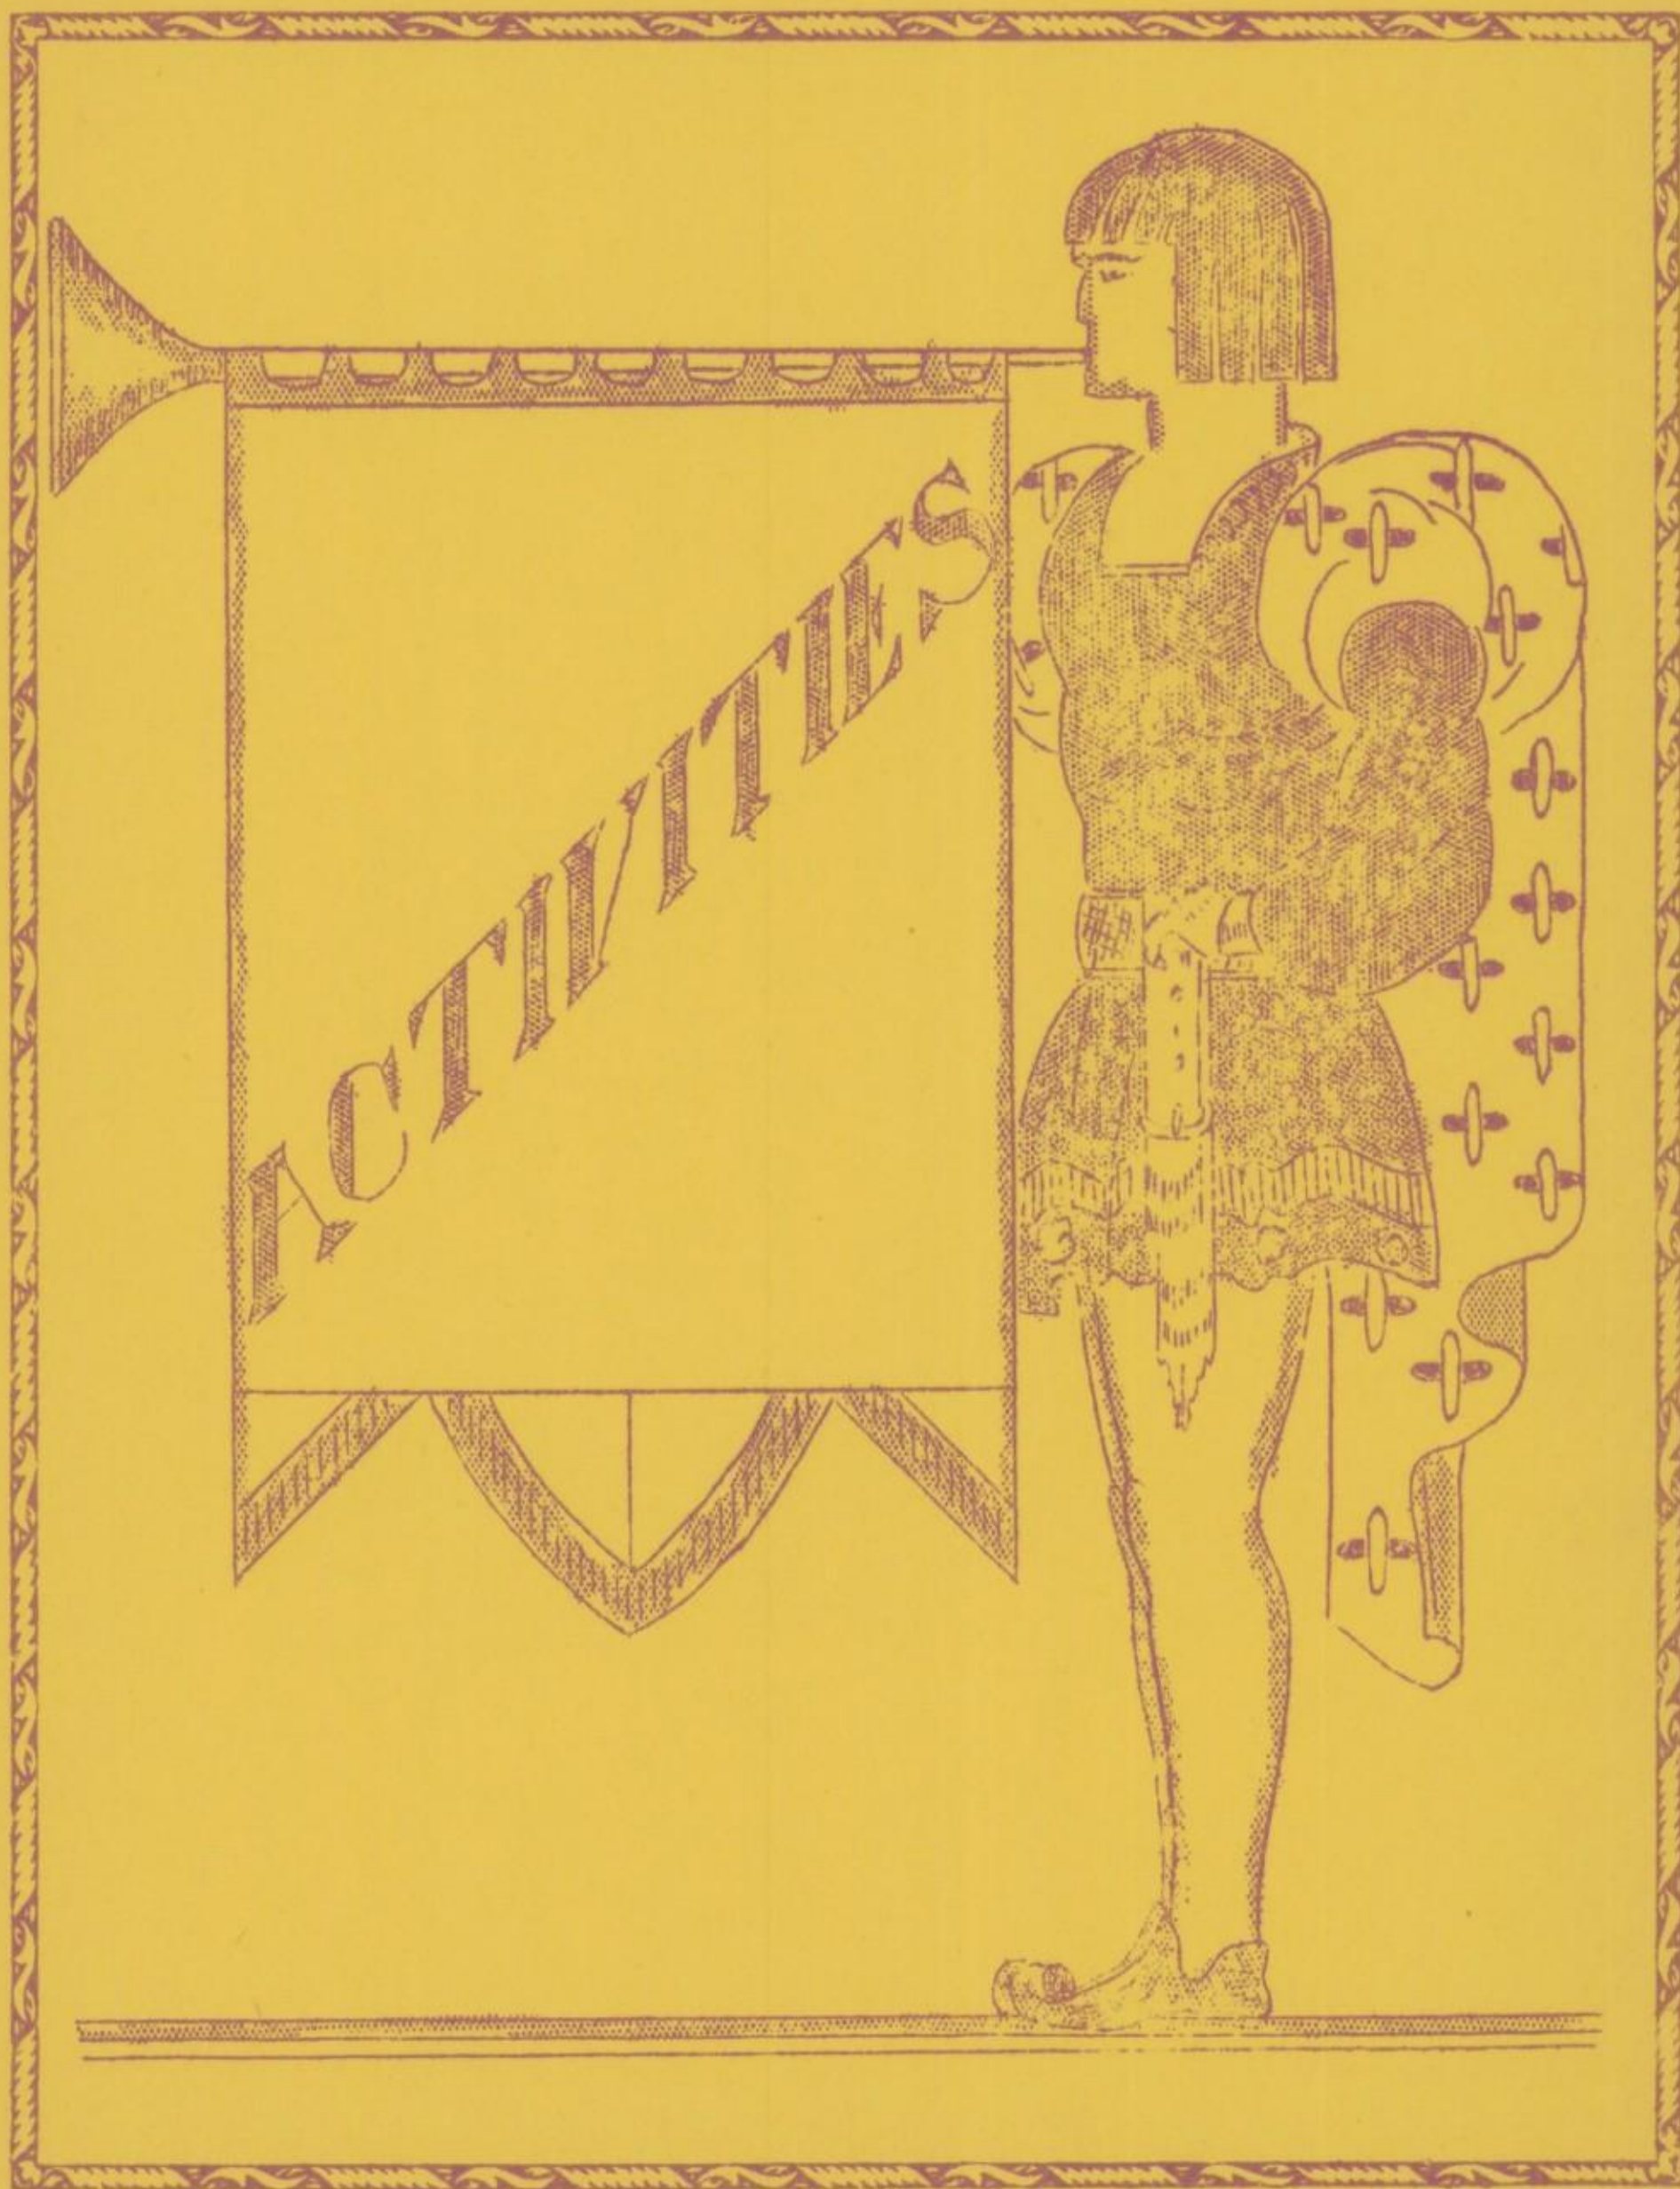

GRADES 1 & 2

FIRST ROW: Donald Smothers, Nancy Edwards, Junior Clark, Betty Gillespie, Kenneth Johnson, Almirea Dalton, Eugene Spradlin, Agnes Mass, Tony Sager, Wanda Redden.

SECOND ROW: Florence Traver, Wesley Courter, Dolores Cochran, Ally Belcik, Madalena Lombardo, Wayne Smithers, Betty Jane Christiansen, William Specht, Carmela Pasqualone, Paul Shufelt, Marjorie Newell.

THIRD ROW: John Petroff, Caroline Johnson, Cecil Adkins, Evelyn Alexander, Floyd Dalton, Margie Dupler, Herbert Snyder, Dora Marie Schuller, Bruce Johnson.

SENIOR PLAY

Imagine a girls' sorority house on the campus of a well-known University. It is Saturday night and the girls are ready to go out for the evening. Some are wishing that they could stay in, when suddenly one of the girls is taken ill. A doctor is called in who says that it is Scarlet Fever and quarantines the house for two weeks! When one knows that several of the boys who have been working in the house are quarantined also, one can readily visualize the many screamingly funny complications and mix-ups that follow. This was the basic plot of "The Campus Quarantine" the whirlwind comedy presented by the Senior Class on May 7th. The local cast worked hard in order to give the performance that rivaled the professional stage production. A grand time was had by the young thespians as well as the audience.

The cast was as follows:

Gloria Smith, a sorority girl-----	Helen Harris
Mrs. Smith, the house-mother-----	Sarah Jane Wolfe
Beryl Shepherd, the house aristocrat-----	Fern Baker
Edythe Rhodes, her chum-----	Rose Long
Deborah Mercer, the plain girl-----	Ruth Munn
Lela Dunn, a nurse-----	June Sigler
Leon Atwell, M. D.-----	Robert Emch
Elliot Maxim, the campus Adonis-----	Robert East
Finlay Carruthers, his pal-----	Ralph Cochran
Howard Ross, from a rival school-----	Carl Christiansen
Ronny Steele, a college waiter-----	Bill Pendleton
Gordon Dunn, another-----	Robert McCamey

CITIZENSHIP

Do we as students measure up to the standards of citizenship? Here is a score card. Check your own points:

Trustworthiness, do you keep your promises?

Self control, do you control your tongue and temper?

Loyalty, are you loyal to you home, your school, and your community?

Obedience, do you obey to be obedient to your father and mother.

Sportsmanship, can you win without bragging and lose without offering excuses?

Self-reliance, do you think for yourself?

Courtesy, are you considerate of others?

Health, do you secure the proper amount of sleep, eat the right kind of food, and exercise sufficiently in the open air?

Teamwork, do you get along with other people?

Dependability, can people count on you?

BROADCASTER COMPLETES SEVENTH YEAR

The Broadcaster is now completing its seventh year of publication.

It was established in the fall of 1929, as a mimeographed paper similar to the present form.

WILLIE'S WISECRACKS

Rose Long-"Do you go out with boys often?"

Helen H.-"Only when my parents are home."

Basketball Banquet

The sixth annual basketball banquet was held Thursday Mar. 2 at the Knights of Pythias Hall. The room was very colorfully decorated in the school colors of purple and gold. With the strains of music by the orchestra, beautiful women arrayed in fashions of spring with the latest spring colors, waitresses gowned in immaculate white uniforms, presented a scene which was a fitting climax to the successful basketball season which the Golden Bears experienced.

Supt. Clark L. Dimler served as toastmaster and introduced the guests of the evening. Gladys Cavannaugh, president of the Parent Teacher association, welcomed the members of the squads and other guests. Homer Hanham, basketball coach from Toledo Woodward, was the guest speaker. He presented an interesting history of basketball from its origin. Donald Wolfe, reporter for the Sentinel-Tribune, the donors of the jug Walbridge gained twice, gave a talk, Georga Burk, girls' coach presented letters to Captain Helen Harris, Fern Baker, Kathleen Sutton, Glenna Mae Koch, Barbara Sigler, Naomi Sigler, Doris Thornton, Elizabeth Johnson, and Audry Tiplady. Reserve letters were presented to Katharine Mason, Wanda Mae Loop, and Pearl Hansen.

Coach Art Turby gave a speech on the success of the team of 1935-1936 and the prospects for a better team next year. The Bears had a wonderful record winning 17 out of 20 games and being defeated but once in Wood County, at the final in the county tournament. Walbridge received a beautiful plaque for the trophy case. Mr. Turby thanked the Walbridge people who had given their services to make the season a success. Other talks were given by Helen Harris, Robert McCamey, Ralph Cochran, Mayor Clinton E. Loop. Varsity letters were presented to Captain Ralph Cochran, Robert McCamey, Jack Gordon, Ned Wiley, Carl Christiansen, Clarence Mason, and Joe DeFalco. Reserve letters were given to Ellsworth Sherman, Lawrence Cochran, John Belcik, Lester Dupler, and Albert Mortel.

Dancing climaxed the evening and the P.T.A. committee worked very hard to arrange this lovely banquet and they deserve the credit of everyone having a pleasant and wonderful evening.

JUNIOR PLAY

On December 17th, the Junior Class presented the play, "The Girl in the Fur Coat," directed by Miss Trimple.

The characters were as follows:

Nifty Nan Nacroft-----	Naomi Healey
Mrs. Lee-----	Pearl Hansen
Hettie Lee-----	Sue Sharp
Maggie Nails-----	Elizabeth Johnson
Mrs. T. Nails-----	Elizabeth Schick
Mrs. Roger Devake-----	Claris Loop
Silas Lee-----	Robert Emch
Bob Lee-----	Jack Gordon
Roger Devake-----	Bernard East
Pete Denny-----	Carl Christiansen

The High School orchestra directed by Miss Urschel furnished music between the acts.

JUNIOR CHARACTERISTICS

CLASS ROLL	NICKNAME	HATES MOST	AMBITION
Elizabeth S.	Bess	Rare steak	Farmer's wife
Glen S.	Jubutts	School	Ice man
Bernard E.	Steve	Physics	Truck driver
Pearl H.	Keen	Wearing glasses	Housewife
Carl C.	Primo	Work	Mechanic
Ruth S.	Rush	Sewing	Waitress
Naomi H.	Omi	Skating	Private sec'y.
Elizabeth J.	Lizzy	Washing dishes	Aviatrix
Clarence M.	Mase	Women	South-paw
Robert E.	Noisy	Fish	Artist
Audrey T.	Aussie	Reciting	Nurse
Joseph C.	Joe	Book Reports	Pres. of U.S.
Jack G.	Jay	Hitler	Get married

COMMERCIAL DEPARTMENT

The past school year 1935-1936 climaxed a very impressive record made by the commercial students under the direction of Supt. C. L. Dimler.

Back in the year 1932 Rosella Adler started the string of victories by winning first place in Bookkeeping at the District Contest in Bowling Green.

In 1934 Jack Wolfe won second place in Bookkeeping in the District Contest and ninth place in the State Contest.

In 1935 Dolores Adler won third in Typewriting and Myrtle Loop won second in Shorthand.

This years winners brought home the first five places in Bookkeeping at the District Contest. Rose Long won first place and Ruth Munn second place. They were followed very closely by Sarah Jane Wolfe third, Robert Each fourth, and Naomi Healey fifth.

Marion Munn and Ruth Savey further added to the Commercial laurels by winning first and second place in Typewriting from a field of some forty students from Wood and Lucas Counties.

Mr. Dimler and Walbridge High School should feel very proud in so consistently turning out such efficiently trained business men and women. Many are now occupying responsible positions in the business world.

HOUSEHOLD ARTS

The Household Art Class of '35 & '36 has proven to be the best class that Miss Burk has had while here at Walbridge. They have accomplished very much in just this one term. Among the accomplishments are the making of: 13 towels, 17 aprons, 8 smocks, 17 slips, 26 dresses, 18 blouses, 4 wool skirts, 6 pairs of pajamas, 1 laundry bag, 8 pot holders, and 4 culottes. They also repaired 16 garments, shrunk 72 pieces of material, darned 62 holes, bound and worked 95 buttonholes, and hung 45 skirts.

Along with the sewing and art work the girls made excellent notebooks on good grooming. The girls also had a unit on house care and furnishing in which they made attractive notebooks. In another unit they have studied textile fibers and how to identify them.

All in all they must be complimented on the very worthwhile work that they have done this year. We are sure that Miss Burk is very proud of her class. They must also be complimented on their fine exhibit this year.

ATHLETIC ASSOCIATION

The past year has been the most successful one as far as financial conditions are concerned. At the beginning of the year we paid off a debt carried over from last year and purchased much equipment and also sweat shirts for the boys. We have paid for all of this and still have a small sum of money on hand. The greatest income was derived from the Lake and Libbey games. We also received checks from the Wood County and Leipsic Tournaments.

The officers of the Athletic Association this year were:

President-----William Pendleton.

Vice-President-----Carl Christiansen.

Secy. and Treas.-----Helen Harris.

STUDENT COUNCIL

The Student Council was formed last year. Its purpose is to make rules and regulations governing the student body of the school; to punish the disobedient in some way which way will be determined by the members of the council; to assist all other activities and organizations in the school; and to promote the growth of school spirit.

The members of the Student Council consist of 3 Seniors, 2 Juniors, 1 Sophomore, 1 Freshman, and 1 from the 8th grade. The members for the past year were: William Pendleton, Pres.; Jack Gordon, Vice-Pres.; Rose Long, Sec.-Treas.; Ruth Munn; Claris Loop; Jean McKinney; and Annabelle Gilbert. The members are not elected but are appointed according to: responsibility, interest in extra-curricular activities, dependability, sense of justice and democracy, school integrity, and scholastic standing. These members are appointed for one school year or two semesters. Faculty advisers consist of the Superintendent and the Principal of the High School.

The Student Council bought several new books for the library this year and was very active in the campaign for the bond issue.

MANUAL TRAINING

The manual training class although hampered by limited facilities, has turned out some very excellent work this semester. Much of the work has been done on a newly acquired jig saw. Members of the class were William Carnicom, Lester Dupler, Ellsworth Sherman, Albert Mortel and Jack Baker. Mr. Turby is the instructor.

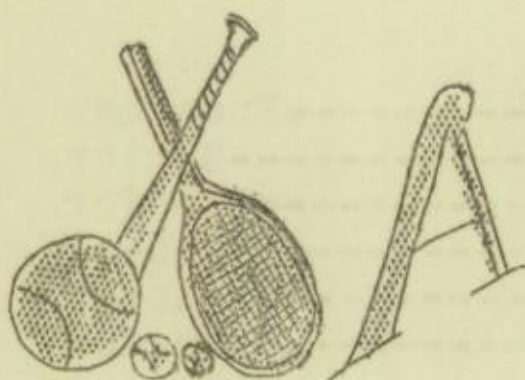

The Parent-Teacher Association sponsored a minstrel show on March 3rd. This entertainment was very adroitly composed by members of the cast. With Patrick Gibbons as the interlocutor and end-men listed in the following cast, it isn't hard to see why the auditorium was filled to capacity. The olio consisted of exquisite music by Walbridge's very talented violinist, Mr. Stanley Church. Jack Wolfe, Walbridge's only magician, entertained with feats of magic, and selections were played by the high school orchestra under the direction of Irene Urschel.

CAST

Snowball Brown-----	Charles Johnson
Nubbin Shinplaster-----	Joe Vernier
Fungus Growth-----	Clinton Loop
Tambo Jones-----	John Tiplady
Ketchup Bottle-----	Charles Sigler
Bones Blackmail-----	Benny Stein

The chorus consisted of Ralph Shull, Clair Traver, Clair Vernier, Robert Caswell, Luther Francis, and Tyler Hartsing and Charles Johnson. The cast was very well directed and the talents of these men climaxed into genuine entertainment when they revived songs popular in the bygone days and songs of the sunny South. Mrs. Dorothy Schuller was the very able pianist.

ATHLETICS

A. J. TURBY.

Much praise should be given to Mr. Turby, serving his first year as coach of the Golden Bears. Mr. Turby came to Walbridge with an enviable record as an athlete and coach, and his work during his first year with us has added considerably to that record.

Mr. Turby is the possessor of a fine sense of humor and has the respect and understanding of the entire squad. He is a hard worker, a master of B. B. technique, and an excellent disciplinarian. The advancement of Walbridge High School's athletics due to this man's service will not soon be forgotten.

GEORGA BURK.

Miss Georga Burk is rounding out her third year as director of the Walbridge High school girls athletic activities. Miss Burk is the possessor of many fine qualities which enable her to deal so splendidly with girls' B. B. in this High School.

A keen sense of fairness and justice, coupled with an abundance of energy and understanding has endeared her to all the girls that have been fortunate enough to win a berth on one of her teams.

BOYS' BASKETBALL

FIRST ROW:

Ellsworth Sherman	"Zipper"	Freshman
Robert McCamey	"Bullets"	Senior
Ralph Cochran	"Ace"	Senior
Carl Christiansen	"Primo"	Junior
Clarence Mason	"Mase"	Junior
Ned Wiley	"Wimpy"	Junior

*-Wood county tournament.

**--Leipsic sectional tournament.

SUMMARY OF SEASON

The outlook for the 1935-36 season was a bad one. We had lost three tall regulars of size in Vernier, McElroy, and Herrington and a good substitute in Raymond Johnson. Ned Wiley was declared ineligible. On top of all this we had scheduled our arch rivals, Lake high school, during the regular season.

With green material and two regulars from last season in Captain Ace Cochran and Jay Gordon we started the season against the Alumni. We fought our way to 17 wins out of 20 games for the entire season.

At the end of our regular schedule we had a record of 13 wins against a single defeat and that at the hands of Toledo Libbey. In the finals of the Wood county tournament we were defeated by Tontogany after winning a hair-raising affair from Lake high school 28-24 in the semi-finals. This game took all our strength for the finals held at night.

We had previously defeated Tontogany in mid-season.

The grind of a long schedule and hard tournament play caused our usual smooth play to suffer in the Leipsic meet where we defeated West Unity in the opening round only to lose a hard fought game to Oakwood in the following game. Oakwood was Paulding county champs and boasted a record of 17 wins against 4 defeats.

The Golden Bears of 1935-36 established some records for future teams to shoot at. They were the highest scoring team ever to represent the school scoring 692 points for the season, Captain Ace Cochran with a total of 222 points was the highest individual scorer the school has ever had. The team piled up the largest total ever recorded by a Purple and Gold squad when they ran up 70 points against Webster. The season's record of 17 wins against only 3 defeats was the best ever boasted by a Walbridge five. They were the first team ever to beat Lake high school twice in one season and the only team ever to whip our old rivals in tournament play. The Bears were the only team ever to reach the finals in Wood county tournaments and also the first outfit ever to represent us at the sectional tournament at Leipsic. Bob McCamey, of course, was the first Walbridge player ever to be mentioned for an all tournament team at Leipsic. In addition to all these fine marks the team drew the largest crowd ever to see a basketball game in the high school gym. The crowd at the Lake-Walbridge game almost doubled any other single game held during the history of the institution.

We lose three men this year in Captain Cochran, Bob McCamey, and Clarence Mason. It will be tough to fill their shoes when next season rolls around but with four regulars and three subs returning the outlook for next season is very bright.

Coach Turby spent the entire season with fundamentals. He expects to start next season where he left off and you can look forward to a small but fast and tricky quintet next year.

The members of the team this year were:

Forwards--Gordon, Wiley, J. DeFalco, L. Cochran.

Centers---Ace Cochran, Sherman.

Guards----McCamey, Christensen, Mason, Belcik.

Nov. 13---With only two regulars, Ace Cochran and Jay Gordon, in the lineup, a green Bear team met a tall and experienced Alumni squad. The Bear's high scoring machine was in full motion and we registered a decisive 49-21 win. Fans praised the fine passing of the entire squad.

Nov. 22---We traveled to Waterville and handed the Beavers a 33-14 drubbing. Ace Cochran scored 11 tallys.

Nov. 26---The bears set a new Walbridge scoring record by downing Webster 70-25. Joe DeFalco scored 24 points and played a fine game.

Dec. 6---We continued our fast pace by trouncing a fine Cygnet squad to the tune of 54-19. The subs played over--half the game as was the case in the first two games.

Dec. 7---Clay high school was our fifth straight victim. Score 35-22. Jay Gordon scored 11 points and played fine ball.

Dec. 10---Playing before 2500 fans the Bear dropped their first game of the season to Toledo Libbey by a 26-17 score. Our tight zone defense held the big town boys scoreless for 12 minutes. We missed a large number of set-ups early in the game and if we had hit a percentage of these the outcome would have been different.

Dec. 20---We took the road to play at Luckey. The varsity contracted a bad case of over-confidence and the reserves played three quarters of the game. The varsity got back to earth and went in the final five minutes of play remaining. They made up a three point deficit and went on to pile up a 37-31 win. Mason starred for the Bears.

Jan. 10---North Baltimore fell before the sharpened claws of the Bears by a 32-20 count. McCamey played beautiful ball both on the offense and defense.

Jan. 17---We journeyed to Cygnet and after playing every thing but basketball the first half we came to life late in the game and piled up a 33-15 score. Ace scored 12 tallys.

Jan. 24---Playing most of the game without Ace and Bob we stacked up a 40-20 win over Luckey. Primo Christensen played a splendid game scoring 7 points and covering many opponents shots.

Jan. 31---Before the largest crowd ever to see a game in our gym, we defeated our old rivals Lake high school by a 32-29 score. Jack Gordon playing the finest game of his career bewildered the Lake defense with clever ball handling and fine shooting. The entire team played grand basketball and the town went wild following the final gun. We take possession of the "JUG".

Feb. 8---A fine Holland high team was our next victim by a 26-16 score. Ned Wiley played a fine floor game.

Feb. 11---In our final tune-up before the tournament we hammered out a 38-8 win over Clay high school. McCamey played his best game of the year.

WOOD COUNTY TOURNAMENT

Feb. 22----In our first game in the Wood county classic we ran up a 45-10 score on Jackson. Ace scored 15 points.

Feb. 27---Grand Rapids was our next foe and we dropped them by a score of 25-17. Although we were off in our shooting a lot of credit must be handed the GR five for their fine defense. Gordon scored nine points as well as playing a fine floor game.

Feb. 29---Again we met and downed our friendly rivals from Lake high this time by a 28-24 score. This was undoubtedly the best game of the entire tournament. Ned Wiley and Bob McCamey were our chief threats.

Feb. 29---In the finals of the tournament played in the evening following the Lake game in the afternoon, we were not equal to the task of playing two stiff games in one day and lost to a clever Togany five 22-12.

LEIPSIC SECTIONAL TOURNAMENT

Mar. 5---We became the first Walbridge team to advance to Leipsic and we won our first game there defeating West Unity 36-32 in a thriller. Gordon played a good game and scored 14 points.

Mar. 7---Oakwood dropped us from the tournament lists by ekeing out a 30-28 win over the Bears. Carl Christensen played his finest game of the year scoring 7 points and starring on the defense.

WHO'S WHO AMONG THE GOLDEN BEARS

Ralph (Ace) Cochran, captain and center, highest scorer on the team with 222 points. Ace was a tower of strength on the defense taking the ball off the opponent's backboard. We'll miss you next year Ace.

Bob McCamey, senior and rugged guard playing his first year as a regular improved as the season went on. Bob was mentioned in the "All Tournament" team at the sectional meet in Leipsic. Too bad you don't have another year.

Jack Gordon, junior, guard. Jay was a consistent performer all year and was the spark-plug of the offense. We're looking forward to big things from this lad next year. Keep your eyes on him.

Clarence (It's in the bag) Mason. Mase was a dependable substitute. He was hampered by a bad knee all season and never quite reached his stride. Can't we raise the age limit so you can play another season?

Carl (Prime) Christiansen, junior and guard. Primo began to hit his stride at the close of the season. With the valuable experience he has obtained this year we look forward to see Primo tear up things next season.

Ned (Wimpy) Wiley, sophomore and forward. Ned was ineligible the first semester but teamed with Jack Gordon he added the needed punch in the offense. One big year ahead for Ned.

Joe (Tiger) DeFalco, sophomore and forward. Joe's first year on the varsity saw him in the starting lineup the first semester. Wiley and Gordon teamed so well at forward that Joe was shifted to a guard. He jumped center against Lake when Ace and Bob were out on fouls. This valuable all-around experience will make Joe a big asset next year.

Lawrence (Mickey) Cochran, sophomore and forward. Mickey's drawback was his size but he can shoot and handle the ball with the best of them. Better eat some spinach during the summer, Mickey.

John Belcik, sophomore and guard. John was green but eager and showed improvement enough to give the regulars a battle for their positions next season. Watch out for this boy.

Ellsworth (Zip) Sherman, freshman and center. The only freshman to be carried on the varsity is the distinction that Sherm has earned this year. Zip will be heard from in the near future.

William (Bill) Pendleton, senior and manager. Just as important as a varsity player, Bill served three years as manager and his loss will be keenly felt. We'll have a hard time filling this vacancy next year, Bill.

BASEBALL

Fifteen boys reported for baseball this spring under the coaching of Sup't. C. L. Dimler. Pitchers included Nick DeFalco, Clarence Mason, and Ace Cochran. Infielders included Carl Christiansen, Bob East, Jack Gordon, Ned Wiley, Joe DeFalco, Ellsworth Sherman, and Lester Dupler. Outfielders included John Belcik, Bill Pendleton, Mickey Cochran, Same DeFalco, and Leonard Johnson.

GIRLS' BASKETBALL

Walbridge-----	19--	Webster-----	17
Walbridge-----	12--	Clay-----	31
Walbridge-----	15--	Luckey-----	18
Walbridge-----	29--	North Baltimore-----	20
Walbridge-----	27--	Cygnnet-----	5
Walbridge-----	29--	Luckey-----	24
Walbridge-----	17--	Lake-----	34
Walbridge-----	25--	Clay-----	32

The girls opened their interscholastic B.B. season on the home floor Nov. 2nd by meeting Webster. Our girls managed, by working hard to stay in the lead by a small margin, and the final score showing them nosing Webster out by a two point lead.

On Dec. 7th, they went to Clay, and in spite of their best efforts, they lost.

The third game of the season was played at Luckey, Dec. 20th. Helen Harris and Barbara Sigler played an excellent game on the forward end, and Doris Thornton proved her ability as guard. The game was close throughout, but in the fourth quarter, Luckey managed to pull out with a win.

After the holiday season all the girls seemed to have gained a little confidence and fight from their past experience and on Jan. 10th they played a real game with North Baltimore, and came out on top by quite a large margin. North Baltimore had a fine team of tall, fast girls and so our girls deserved praise for their fine work. Helen Harris came through in her usual fine manner but other forwards, Glenna Mae Koch and Barbara showed up so very well that the team looked much better than ever before. Audrey Tiplady and Elizabeth Johnson also played an excellent game.

On Jan. 17th, a truly "bad winter night", the girls went to Cygnnet, and it was one of those games when neither team played well but our girls were so much superior to Cygnnet, that they won by 22 points. Harris alone scored 16 points.

Walbridge met Luckey on their home floor, Jan. 24th. Naomi Sigler then demonstrated her hard work to guard one handed shots. The final score showed Walbridge in the lead by fifteen points.

Lake came to Walbridge on Jan. 31st. In the first half, the girls played in excellent style, but Tiplady's playing was so greatly missed after the 2nd quarter when she fouled out, that Lake easily took the game.

On Feb. 11th Clay had a hard fight to net a win from our girls. Tiplady, Johnson, and Sutton played an extra-ordinary good game as guards.

Our last game scheduled with Grand Rapids was canceled due to sub-zero weather, so the end of our season came abruptly.

The outstanding players throughout the season were Helen Harris, Barbara Sigler, Audrey Tiplady and Elizabeth Johnson. Many others showed up well as beginners and no doubt will be the excellent players in the coming season.

WHO'S WHO AMONG THE GOLDEN CUBS

Helen Harris, captain and one of the two seniors on the squad was the leading scorer on the girls' team for the past two seasons. Helen played center and scored an average of more than 10 points a game. Her altruistic helpful ways made her one of the most popular players Walbridge has ever had. Helen is the only girl on the squad to be awarded a three year letter.

Fern Baker, the other Senior, has seldom missed a practice in the past two seasons and although she has not played as much as some other girls, her faithful spirit is greatly to be commended.

Audrey Tiplady, Junior, was a fine defensive player during the past two seasons. She received a two year letter. Her forward always found Audrey right with her and found it difficult to pass or to shoot.

Elizabeth Johnson, Junior, was a scrappy player. She played a regular guard position and was usually found doing her share or more to make it interesting for the other team.

Pearl Hansen, Junior, served most of the season as a reserve forward. The experience she has gained this season, should make her a fine prospect next year.

Barbara Sigler, Sophomore, was a fine passer and good shot. Opponents will find her hard to stop during the next two seasons.

Naomi Sigler, Sophomore, played hard all season and was rewarded with a starting berth in the final three games.

Glenna Mae Koch, Sophomore, was speedy and a good shot underneath the basket. With two years to play, Glenna Mae should be a whirlwind.

GIRLS' B. B. CON'T.

Kathleen Sutton, Sophomore, played many fine games as a guard. She was a very good defensive player and will be playing on the squad for two more years.

Claris Loop, Sophomore, played many fine games as a guard until she suffered a fractured elbow. Claris will be back for two more years.

Doris Thornton, although only a Freshman, played forward and guard on the varsity. Doris plays hard aggressive basketball and she shall prove a headache for opponents for the next three years.

Kathryn Mason, Freshman, was a reserve forward, with the experience gained this season, Kathryn will be a fine player next season.

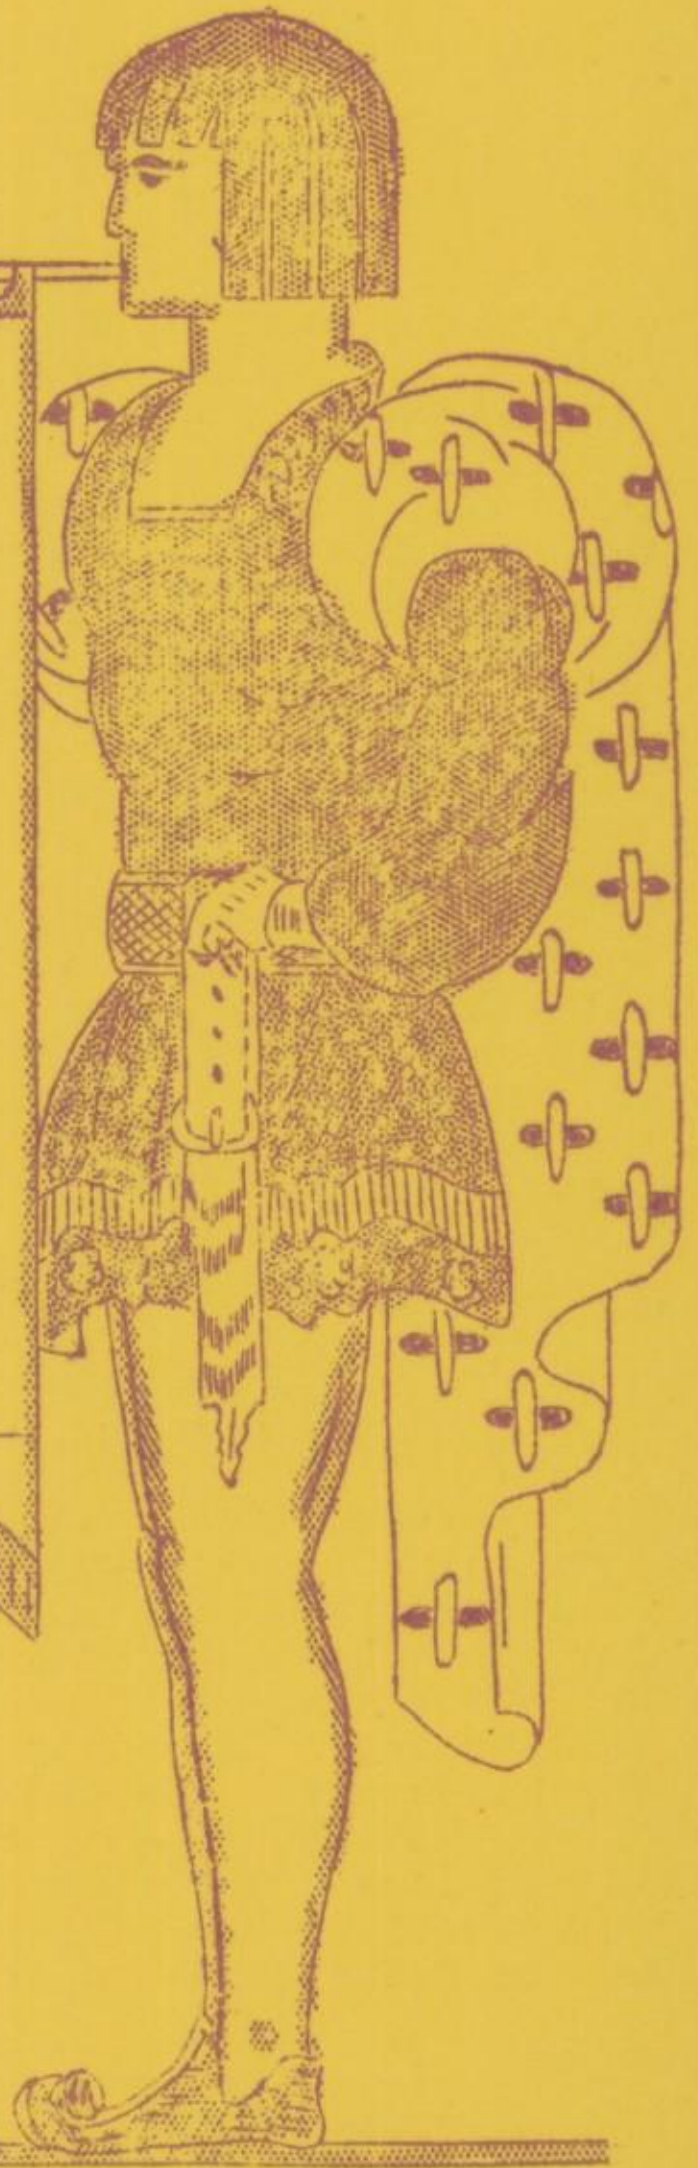

Wanda Mae Loop, Freshman, was a reserve guard. She has three more years in which to prove her ability and with her vitality and interest she will make a real player.

The girls' manager, June Sigler, was always on hand and an old faithful in helping the girls and Miss Burk in every way that she could. The girls all appreciate what she did toward creating a spirit of good sportsmanship.

PHYSICAL EDUCATION

Walbridge High School has a well rounded out program in physical education in spite of the fact that the faculty is limited. The following program was carried out the past year. For boys there was basketball, the intra-mural tourney which was won by the Sophomores, softball, pass and tap football, volleyball, ring hockey, and many other informal games. For the girls there was basketball, volleyball, German football, hikes when the weather permitted, and the usual form of calisthenics. The Sophomores were usually the winners in all intramural games. The boys' gym classes are held on Mondays, and on Wednesdays and the girls' on Tuesdays and Thursdays.

 - " 13-Rose Long's Birthday.

May 17-Baccalaureate.

"

" 20-Eighth Grade Commencement.

" 21-Seniors Commencement.

" 22-Last day of school. Annual comes out. School picnic.

JOKES

A small boy, leading a donkey, passed by an army camp. A couple of soldiers wanted to have some fun with the lad.

"What are you holding on to your brother so tight for, sonny?" said one of them.

"So he won't join the army," the youngster replied, without blinking an eye.

Mr. Dimler: "What's the interest on a thousand dollars for one year at two per cent?....Bob, pay attention!"

Bob E.: "For two percent, I'm not interested."

Now tell us the story about the Scotchman who invented a mouse trap that would kill the mouse before it had a chance to eat the cheese.

Husband: "Don't let the baby put that quarter in his mouth, there are germs on it."

Wife: "Nonsense! Germs couldn't live on the money you make!"

Clarence Mason on entering a drug store and seeing a pay station, placed a nickel in the slot and lifted the receiver.

Operator, naturally inquired: "Number, please."

Clarence: "Number, heck; I want my peanuts."

Ned W. giggled when the teacher read the story of the man who swam across the Tiber three times before breakfast.

"You do not doubt that a trained swimmer could do it, do you?"

"No, sir," answered Ned, "but, I wonder why he did not make it four and get back to the side where his clothes were!"

Mickey C. was an apprentice in a shipyard, and the first morning the foreman put a two-foot rule into his hand and told him to go and measure a large steel plate. He returned in twenty minutes.

"Well, Mickey," said the foreman, "what is the size of the plate?"

A satisfied grin stole over Mickey's face. "It's just the length of this rule," he replied, "and two thumbs over, with this brick, and the breadth of my hand, and my arm from here to there, bar the finger!"

Carl C. "Yes, the bullet struck my head, went careening into space, and--"

Jack G. "How terrible! Did they get it out?"

The teacher was testing the monetary knowledge of the kindergarten class. Slapping a half-dollar on the desk, she said sharply, "What is it?"

Instantly a voice from the back row, "Tails!"

Miss Burk: "What is heredity?"

Glen S.: "Something a father believes in until his son begins acting like a fool."

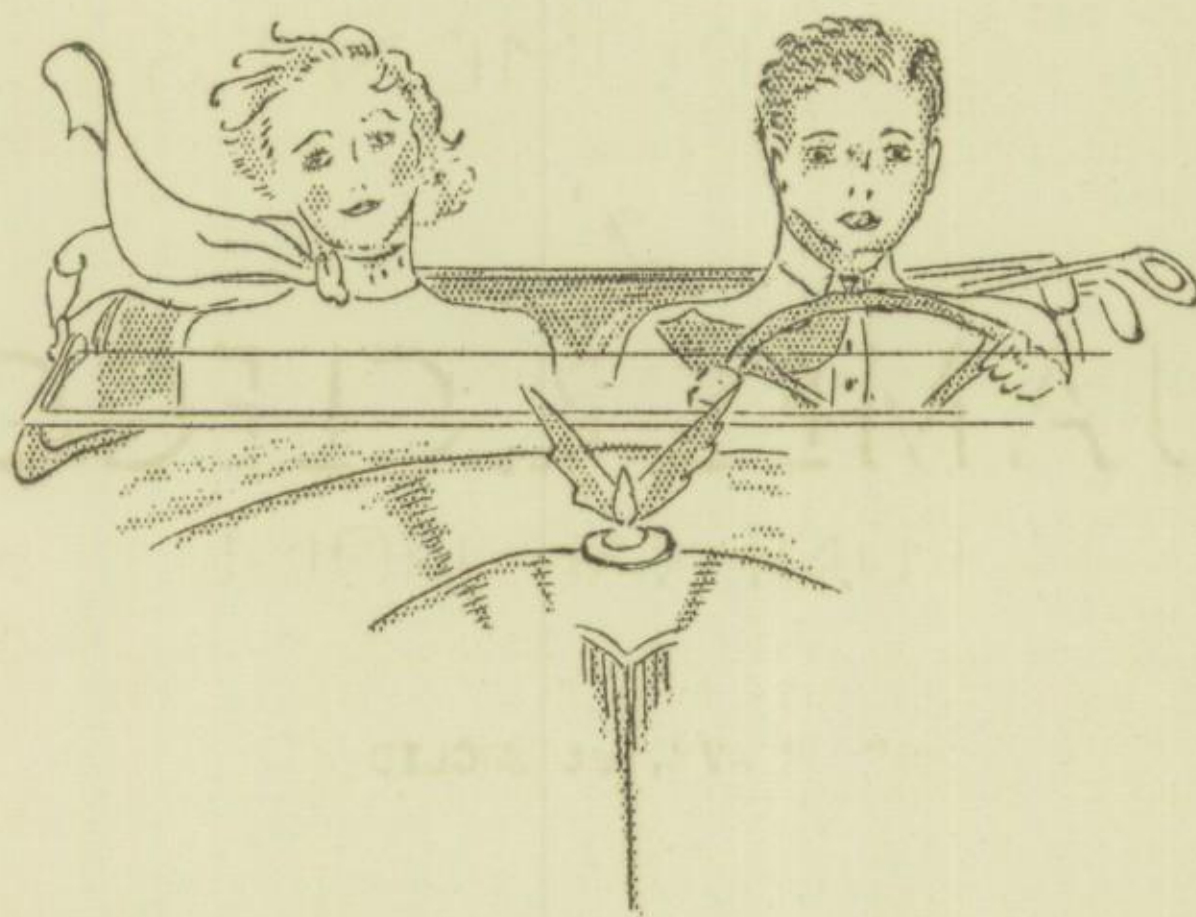

"I saw the doctor you told me to see."

"Did you tell him I sent you?"

"Yes, I did."

"What did he say?"

"He asked me to pay in advance."
